19:00 - 22:00	ISSF Conference Dinner at HAPPO-EN (A garden beautiful from any angle)

Happo-en began as the cherished mansion of a vassal of the Tokugawa clan in the late 17th century. The traditional Japanese circuit-style garden, with a pond at its center, employs trees, stones, water and earth - the basic elements of landscape architecture - to accurately reproduce a natural setting.

The ISSF Conference Dinner will take place at the Hakuho-kan restaurant, which is a part of Happo-en.
